UPS International Ground Export Import Fuel Surcharge

UPS uses an index-based surcharge that is adjusted weekly. Changes to the surcharge will be effective on Monday of each week. The surcharge will be based on the National U.S. Average On-Highway Diesel Fuel Price as most recently released by the U.S. Energy Information Administration (EIA) rounded to the nearest cent. For example, the surcharge for the week of February 23, 2026 is based on the National U.S. Average On-Highway Diesel Fuel Price released by the EIA the week of February 16, 2026.
